

TRIP TO TURKEY

Our trip to Turkey started on the twenty-first of April 2009. At six o'clock a.m. we went to Warsaw. There we had a plane to Turkey. We left Warsaw at twelve o'clock. After two hours we landed in Istanbul. Later we went to the train station, but there wasn't a train to Konya. So we went to the bus station. There we waited four hours for the bus to Konya. We travelled all night. We were in Konya at eight o'clock in the morning. In Turkey we spent 5 days. We stayed at the hotel. In Konya we visited museums, interesting places.

We met new friends. We also visited our new friends' school. We had a picnic together.

Next day we went to the swimming pool in the hotel. We swam and had fun. On Friday we went to Istanbul by train. We were there next day in the morning.
